CALL FOR PAPERS

Guest Editors: Vimal Chaitanya, New Mexico State University
Frederic Zenhausern, University of Arizona
Leonard Polizzotto, Draper Laboratory

*Technology and Innovation* is currently soliciting manuscripts for a special issue on Water.

For this special issue, we are interested in articles and reviews addressing advancements and improvements of various technologies associated with water and/or water management. Relevant topics include technology and innovation in (but are not limited to):

- Water Industry
- Water Access and Scarcity
- Water Quality
- Water Supply Networks
- Water Resource Management
- Water Conservation
- Use of unique landscapes and/or resources
- Hydro-power and/or Hydroelectricity
- Chemistry and/or Medicine related to water
- Other pertinent topics

Initial manuscripts should be submitted by **November 3, 2014**. The manuscript submission should include: title, author affiliation, abstract of no more than 250 words, key words, and corresponding author’s contact information.

Articles for *Technology and Innovation* are generally written for a multidisciplinary audience. All submissions should meet T&I author guidelines and can be submitted through our website at [www.TechnologyandInnovation.org](http://www.TechnologyandInnovation.org).

All submitted articles will be peer reviewed. Graduate students are welcome to submit articles for consideration. If you have questions or would like to submit a manuscript please contact the editorial staff (813) 974-1347 or [TIJournal@research.usf.edu](mailto:TIJournal@research.usf.edu).

*Technology and Innovation* publishes critical and historical reviews, original articles in basic and applied research, surveys, opinions, commentaries, essays, and patent reviews of interest to our readers. We present information encompassing the entire field of applied sciences with a focus on transformative technology and academic innovation, and welcome manuscripts that meet the general criteria of significance and scientific excellence.

*Technology and Innovation* is published by [Cognizant Communication Corporation](http://www.cognizantcom.com).
